GOV. PERRY NAMES DARRELL D. DÁVILA DIRECTOR OF GOVERNMENTAL APPOINTMENTS

Gov. Rick Perry has named Darrell D. Dávila Director of Governmental Appointments effective September 1. He will replace Bech Bruun, who was recently named a new full-time member to the Texas Water Development Board.

"Darrell is a trusted advisor in my appointments office and his extensive legal and policy expertise makes him ideally suited to lead this division. His leadership will help ensure we continue to appoint the best and most qualified people to build a stronger Texas," said Gov. Perry.

Dávila, a native of Corpus Christi, most recently served as appointments manager for legal and judicial appointments for the Office of the Governor. Prior to that, he was an assistant district attorney and legislative/governmental affairs liaison for the Tarrant County District Attorney's Office in Fort Worth. He previously worked as a civil litigation attorney in Dallas and served as an assistant in the policy office of Gov. George W. Bush. He is a member of the State Bar of Texas, a past member of the Tarrant County Bar Association, the College of the State Bar of Texas, the Texas District and County Attorneys' Association, and a former Tarrant County Young Lawyers volunteer Teen Court judge.

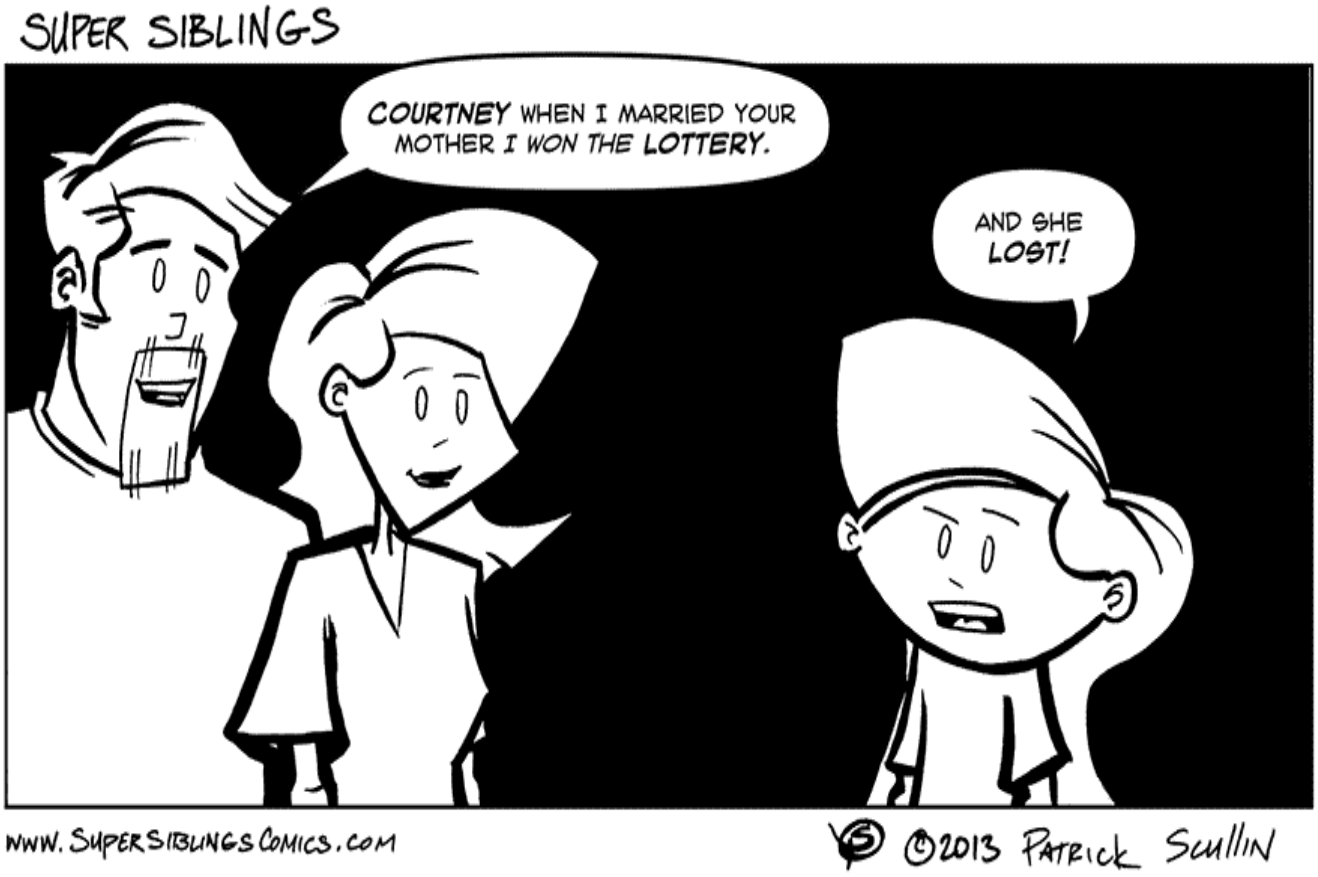
Dávila received a bachelor's degree in Business Administration from Texas A&M University and a law degree from the University of Texas School of Law.

CRUZ: DOJ SHOULD NOT BE WORKING TO UNDERMINE INTEGRITY OF OUR ELECTIONS

U.S. Senator Ted Cruz (R-TX) today released the following statement regarding the Department of Justice's decision to sue Texas over its Voter ID laws:

Today's decision by the U.S. Department of Justice to sue Texas is, sadly, only the latest manifestation of the DOJ's increasing politicization under this Administration. The U.S. Supreme Court has expressly held that voter ID laws are constitutional, and DOJ's decision today to attack Texas' voter ID program is contrary to law.

Americans overwhelmingly support voter ID laws because they understand that voter fraud weakens our democracy, and unfortunately it is often minority voters who are the victims of that fraud. The Department of Justice should not be working to undermine the integrity of our elections.



Springtime is upon us. You are invited to take a stroll in the bluebonnets, find an arrowhead or observe wildlife while touring fine properties with live water and big time views.
