Comptroller Susan Combs Distributes \$553 Million in Monthly Sales Tax Revenue to Local Governments

Texas Comptroller Susan Combs said today that state sales tax revenue in February was \$2.2 billion, up 5.8 percent compared to February 2013.

“Sales tax revenue continues its growth streak and has now increased for 47 consecutive months,” Combs said. “Growth in tax collections was seen across all major economic sectors including oil and gas, wholesale trade and the services sector.”

Combs will send cities, counties, transit systems and special purpose taxing districts their March local sales tax allocations totaling \$553 million, up 4.1 percent compared to March 2013.
